Sifunda Kunye Computer Lab at Good Shepherd....

CAMI History

CAMI specialises in the development of high performance, high productivity software. The company started their development of software in 1984, introducing the unique "Practise for Skills" approach to learning. CAMI has been at the forefront of developing and delivering electronic curriculum content for the past 27 years. Developed in South Africa and also used internationally, the CAMI EduSuite is a collection of programs that includes Maths, a Perceptual Skills Builder as well as a Reading and Language System
